Gary,

As you are aware, the CES Environmental Services Removal Action (RCMS) TDD: 1/WESTON-042-14-030 has a completion date of 11/2/15 (interim due date of 10/3/15). Please consider extending the TDD as necessary. The interim removal action report has been submitted and we will await further direction from you regarding report comments. Remaining funding as of 10/16/15 is \$36,002.

Please call me if you have any questions or concerns.

Thanks!
